ROUTE TOOLS
 This is a great tool for companies, OO, & independents that wish to calculate IFTA fuel taxes & truck routing for only \$79.95

Route Tools does not calculate from address to address. It calculates from city to city or zip code to zip code. The routes are truck routes in US, Canada, Mexico. Truck routes are calculated with single, doubles, triples, 48' or 53'. Detailed route itineraries and state to state mileages for IFTA. Detailed directions and full-color maps with references to Rand McNally's Motor Carriers' Road Atlas

NEW QUARTERLY SERVICE FROM DIESELBOSS

IFTA Calculator for the quarter only \$9.95 (2009 3rd Quarter ONLY version / for one truck or to enter the total combined gallons and miles of your fleet. Only can be used for the quarter indicated then expires.) New quarters will be posted each quarter as soon as the new tax rates are posted by the DOT. If you want to be emailed quarterly, send email to storekeeper@dieselboss.com with a title "IFTA NOTE PLEASE". Or just go to <http://www.dieselboss.com/software/ifta.htm> and check.

If filing late the calculator will calculate the total owed including the penalty. Every quarter we will have the new quarter up with correct tax rates for the quarter. Keep track of total gallons of fuel and miles each quarter and just enter totals for quick calculation. Transfer the totals from the calculator to your state form.
