IFTA Tax Reporting software up to 25 trucks that calculates by truck the IFTA Taxes due. Data can be entered lump sum by state or daily when the driver trip reports are available. Go to dieselboss.com and click on software for examples. Your computer must have Microsoft Excel installed on your computer. Five truck or less program is \$59.95. Our program can be used unlimited times with no additional cost.

Our no drill ram mounts for big trucks and pickups are life time warranted against workmanship and breakage. The manufacture will replace any part the breaks or wears out as long as you own it. They are the strongest and the only vehicle mount with rubber ball patent to absorb vibration. This helps to protect your hard drive and other electronic components.

NEW QUARTERLY SERVICE FROM DIESELBOSS

IFTA Calculator for the quarter only \$9.95 (2009 3rd Quarter ONLY version / for one truck or to enter the total combined gallons and miles of your fleet. Only can be used for the quarter indicated then expires.) New quarters will be posted each quarter as soon as the new tax rates are posted by the DOT. If you want to be emailed quarterly, send email to storekeeper@dieselboss.com with a title "IFTA NOTE PLEASE". Or just go to <http://www.dieselboss.com/software/ifta.htm> and check.

If filing late the calculator will calculate the total owed including the penalty. Every quarter we will have the new quarter up with correct tax rates for the quarter. Keep track of total gallons of fuel and miles each quarter and just enter totals for quick calculation. Transfer the totals from the calculator to your state form.

NEW:
ROUTE TOOLS
 This is a great tool for companies, OO, & independents that wish to calculate IFTA fuel taxes.

Route Tools does not calculate from address to address. It calculates from city to city or zip code to zip code. The routes are truck routes in US, Canada, Mexico. Truck routes are calculated with single, doubles, triples, 48' or 53'. Detailed route itineraries and state to state mileages for IFTA
 Detailed directions and full-color maps with references to Rand McNally's Motor Carriers' Road Atlas

Driver accounting program is for the driver who wants to keep daily records of pay and road expenses while on the road. Get daily reports and know how much you are making. Don't loose records of deductible expenses. Small daily expenses can add to large yearly expenses. Email your accountant for quarterly taxes and a lot more. Check the software part of our site.
