**NEW QUARTERLY SERVICE FROM DIESELBOSS**

**IFTA Calculator for the quarter only \$9.95 (2009 3rdf Quarter ONLY version / for one truck or to enter the total combined gallons and miles of your fleet. Only can be used for the quarter indicated then expires.) New quarters will be posted each quarter as soon as the new tax rates are posted by the DOT. If you want to be emailed quarterly, send email to [storekeeper@dieselboss.com](mailto:storekeeper@dieselboss.com) with a title "IFTA NOTE PLEASE". Or just go to <http://www.dieselboss.com/software/ifta.htm> and check.**

**If filing late the calculator will calculate the total owed including the penalty. Every quarter we will have the new quarter up with correct tax rates for the quarter. Keep track of total gallons of fuel and miles each quarter and just enter totals for quick calculation. Transfer the totals from the calculator to your state form.**

**Driver accounting program is for the driver who wants to keep daily records of pay and road expenses while on the road. Get daily reports and know how much you are making. Don't lose records of deductible expenses. Small daily expenses can add to large yearly expenses. Email your accountant for quarterly taxes and a lot more. Check the software part of our site.**

**Our no drill ram mounts for big trucks and pickups are life time warranted against workmanship and breakage. The manufacture will replace any part the breaks or wears out as long as you own it. They are the strongest and the only vehicle mount with rubber ball patent to absorb vibration. This helps to protect your hard drive and other electronic components.**

**NEW:**

**ROUTE TOOLS**  
This is a great  
tool for  
companies, OO,  
& independents  
that wish to  
calculate IFTA

Route Tools does not calculate from address to address.  
It calculates from city to city or zip code to zip code. The routes are truck routes in US, Canada, Mexico. Truck routes are calculated with single, doubles, triples, 48' or 53'. Detailed route itineraries and state to state mileages for IFTA  
Detailed directions and full-color maps with references to Rand McNally's Motor Carriers' Road Atlas. Download for one time price of \$79.95. Or get the CD for \$10 shipping.
