RAM No-Drill™ Seat Bases
National Products, Inc.

**Vehicle base for the
DODGE GRAND CARAVAN (2008-NEWER)**

INSTALLATION INSTRUCTIONS

1. Move the passenger seat back to its rearmost position and loosen the front seat rail bolts.
2. Gently lift the front of the seat to create a small gap between the seat frame and seat track.
3. Align the slots in the base with the seat bolts and slide the base into place. Press the no drill base as far in as possible so that the back of the slots engage the seat bolts. The pedestal platform should be near the console.
4. Re-tighten the bolts to secure the no drill base.
